

Razor

Feed the Rhino

Stuck in my thoughts again,
Wound up so tight again
Where'd it go so wrong again?
Where'd it go so wrong?

Days seem much longer now,
Razors feel sharper now,
Hour glass is running,
Running down

Razor, razor,
Hour glass is running, running down

Where'd it go so wrong?
Where'd it go so wrong?
Where'd it go so wrong, wrong,
Oh wrong?

Razor, razor,
Hour glass is running, running down

Razor, razor,
Hour glass is running, running down
