Bug

Feeder

Mother Earth, can you feed us now? Feed me now, feed me now Mother Earth, can you see us now? Hold me down, hold me down

Revolution, revolution Revolution, revolution

Mother Earth, can you feed us now?
Burst the bug, be forever loved
Hold me down, you can't hold me down
Break the bones, throw your stones

Revolution, revolution Revolution, revolution Revolution, revolution

You gotta fight it, you can fight it, no one else will You gotta fight it, you can fight it, no one else will You gotta fight it, you can fight it, no one else will You gotta fight it, you can fight it, no one else will

Feed me now, see me now Mother Earth, can you see us now? Throw the stones, throw the stones

Revolution, revolution
