I put my best foot first & it got burned, Communication always hurts, I got myself so deep inside a hole, I taste the air so thin as i get old. (I don't think so)

She's my hands, She's my hands. Picks me up when i crash down, Build me wings so i can glide, She's my novacaine ride. (NOVACAINE!)

Pick up the pieces of my world, Glue them together, i wish i could, I can't believe it as the picture fades, Just like a TV but the sound remains (I don't think so) no (i don't think so)

She's my hands, She's my hands. Picks me up when i crash down, Build me wings so i can glide, She's my novacaine ride.

Feel it as i shake, Shatter illusions fade, Taste my bitter tears, Cut my heart with shears.

I don't think so, i don't think so.

She's my hands, She's my hands. Picks me up when i crash down, Build me wings so i can glide, She's my novacaine ride.

She's my hands, she's my hands, Picks me up when i crash down.

NOVACAINE.
