

Feeling a Moment

Feeder

Feeling the moment slip away
Losing direction, you're loosing faith
You're wishing for someone,
Feeling it all begin to slide
Am I just like you?
All the things you do - can't help myself...

How do you feel when there's no sun?
And how will you be when rain clouds come and pull you down again?
How will you feel when there's no one?
Am I just like you?

Turning to face what you've become,
Buried the ashes of someone
Broken by the strain
Trying to fill that space inside
Am I just like you?
All the things you do - can't help myself

How do you feel when there's no sun?
And how will you be when rain clouds come and pull you down again?
How will you feel when there's no one?
Am I just like you?
All the things you do

Don't ever feel that you're alone
I'll never let you down, I'll never leave you dry
Don't fall apart, don't let it go
Carry the notion, carry the notion back to me, to me...

Feeling the moment slip away
Feeling the moment slip away

Cause I'm just like you

How do you feel when there's no sun?
And how will you be when rain clouds come and pull you down again?
How do you feel when there's no one?
Am I just like you?
