Come on in
I hear your voice
Change the frequency
And make that choice

Constitution
Find new ground
You've gotta know
I think about you every day

You're lying awake on top of silver clouds
Sending love back down

It's real love
It's real love
It's real love
Can't you feel it
Can't you breathe it in

Come on in
I hear you sing
All together
Different skin

Superstition
Prophecy
You've gotta know
I think about you every day

You're lying awake on top of silver clouds
You're sending love back down

It's real love
It's real love
It's real love
Can't you feel it
Can't you breathe it in

Real love
Real love
Real love
Real love
Real love
Real love
