

# Into the Blue

Feeder

(I'll never give you up,  
I'll never give you up)

Out of sight, into the blue  
(I'll never give you up,  
I'll never give you up)  
Stepping on over, just to get to you  
(I'll never give you up,  
I'll never give you up)  
Got my head turned towards the light  
(I'll never give you up,  
I'll never give you up)  
Catching rain with open eyes,

Been trying to reach you lately,  
Been trying to reach you lately,  
'Cause I can't take my eyes off you,  
But I'm hoping you see me  
And I can't take my mind off you,  
But I'm hoping you reach me

(I'll never give you up,  
I'll never give you up)  
Two steps forward, one step back  
(I'll never give you up,  
I'll never give you up)  
I can't seem to find my tracks  
(I'll never give you up,  
I'll never give you up)  
It's so strange, the way we move  
(I'll never give you up,  
I'll never give you up)  
Been breaking a shell, just to get to you

Been trying to reach you lately,  
Been trying to reach you lately,  
'Cause I can't take my eyes off you,  
But I'm hoping you see me  
And I can't take my mind off you,  
But I'm hoping you reach me

It's times like these  
I feel I'm not good enough,  
Not good enough,  
But how should I feel?

'Cause I can't take my eyes off you,  
But I'm hoping you see me  
And I can't take my mind off you,  
But I'm hoping you reach me  
Yeah, I can't take my eyes off you,  
But I'm hoping you see me  
And I can't take my mind off you,  
But I'm hoping you reach me

(I'll never give you up,  
I'll never give you up)
