

# Tumble and Fall

Feeder

All this for nothing, yeah yeah yeah  
Praying and hoping, fooling yourself  
You know that you can give love a reason  
Give love a chance

We tumble and fall, together we crawl  
Forever we'll be, tumble and fall

Heaven's above us, yeah yeah yeah  
Living in solace, I give you it all  
Just for a day, just for a second  
Just for the way

We tumble and fall, together we crawl  
Forever we'll be, tumble and fall

Life's not the same, since that day you went away  
I recall like the drops of summer rain that fell on me  
Come back to me, come back to me, yeah yeah yeah [x3]

We tumble and fall, together we crawl  
Forever we'll be, tumble and fall  
Together we crawl, forever we'll be, tumble and fall

Yeah yeah yeah  
Yeah yeah yeah  
Yeah yeah yeah  
Yeah yeah yeah  
Yeah yeah yeah  
Yeah yeah yeah
