Razor

In need of proper use of a razor Not trusting of traffic lights Or stop signs And I'm hoping this wood and wire can fufill my desire...my des ire

And I can't seem to hit these strings And I can't seem to scream these words loud enough Or hard enough Somebody say my name so I know I'm alive

And I'm pretty sure I can arrive Just as long as you don't expect me on time

I'm burning out my blinker Always thought I was the thinker

And I can't seem to hit these strings And I can't seem to scream these words loud enough Or hard enough Somebody say my name so I know I'm alive
