

Watch Me Move

Fefe Dobson

when I walk I'm walkin' straight up with the motion
when you see my hips shake baby look for cover
you try to put me in a box but i'm the only one
I'm a firecracker
boy don't tell your mother

w-w-w-watch me move
w-w-w-watch me move
I'll get you in the mood
w-w-w-watch me

I'm a lover with no boundries
you can't hold me down
but if i like it baby, I might just let ya
I'm feeling physical how about a demonstration
when i through you're gonna learn more than a thing or
two
i'm gonna tease ya till you beg for euthanasia
i'm a respirator *gasp*
now watch me move

w-w-w-watch me move
w-w-w-watch me move
I'll get you in the mood
w-w-w-watch me

I feel your eyes all on me baby
take a good look put it into your memory
when I walk into the room you're gonna, you're gonna...
you're gonna w-w-w-watch me move

w-w-w-watch me move
w-w-w-watch me move
w-w-w-watch me move
w-w-w-watch me

you know i like it new
I'll get you in the mood
