Anti-Pioneer

Start with colours They always get away with attitude But they'll try to convince you of your mood What you want they'll give it to you But it's only therapy, that's all they do All they do All they do All they do

When the flag changes colours The language knows When the month changes numbers It's time to go

Anti-pioneer Anti-pioneer Anti-pioneer (This overlaps with) All I do, all I do is make friends with you

When the flag changes colours The language knows When the month changes numbers It's time to go

When the flag changes colours The language knows When the month changes numbers It's time to go
