

# My Moon My Man

Feist

My moon, my man  
So changeable and  
Such a lovable lamb to me

My care, my coat  
Leave on a high note  
There's nowhere to go but on

Heart on my sleeve  
Not where it should be  
The song's out of key again

My moon's white face  
What they're gonna face?  
It's the calendar page again

Take it slow, take it easy on me  
Shed some light  
Shed some light on me, please

Take it slow, take it easy on me  
Shed some light  
Shed some light on me, please

My moon and me  
Not as good as we've been  
It's the dirtiest clean I know

My care, my coat  
Leave on a high note  
There's nowhere to go  
There's nowhere to go

Take it slow, take it easy on me  
Shed some light  
Shed some light on me, please

Take it slow, take it easy on me  
Shed some light  
Shed some light on me, please

My moon, my moon, my man  
My moon, my moon, my man  
My moon, my moon, my man  
My moon, my moon, my man
