

# I Didn't Mean To Hurt You

Felt

I didn't mean to hurt you,  
But you gotta understand, I was trying  
To enjoy  
To enjoy  
To enjoy  
Enjoy my self

It was the first day of the year  
And look what I done with that day  
Oh my lord I will pray  
I will pray

for that day  
I will pray

I didn't think about your feeling  
I just went ahead and done what I wanted  
And I been bad  
I been bad  
I been so bad  
Bad to you  
Oh to you  
Yeah to you
