

Sunlight Bathed The Golden Glow

Felt

You're trying to fool somebody, but you end up fooling
yourself
You read from the "book of the dead"* but you don't know
what is about
I listened to you now maybe you'll listen to me
You're trying much too hard to make your world seem like
a dream
You're stepping out of something
Yeah, You're stepping out of line
Stop making a movie of it
Oh it's just my style
Stop sitting around and thinking
You're gonna do no good
I thought your poetry was sometimes good

You're stepping out of something
Sunlight Bathed the Golden Glow
Stop making a movie of it
Stop telling the things I know
Stop sitting around and thinking
You're gonna do no good
I thought your poetry was sometimes good

*A reference to the book of the dead of the ancient
Egypt. In the "Strange Idols Pattern and Other Short
Stories" version, he says "You read from "a season in
hell", a reference to the French poet Arthur Rimbaud.
