

From Roses

Fences

Sometimes when I'm all alone,
Well I wonder if you're at home,
Singing sad songs about breaking up
And the memory of me is keeping you up, next to him.

Love goes. I'll never leave you again.
Love goes. I'll never leave you again.
Love goes. I'll never leave you again.
Love goes. I'll never leave you again.

Sing me sweetly to sleep,
So I can, can remember my dreams,
Falling slowly, like leaves fall from trees,
Then I'll wake up there, on my praying knees again.

Love goes. I'll never leave you again.
Love goes. I'll never leave you again.
Love goes. I'll never leave you again.
Love goes. I'll never leave you again.
