## Flight 601

I think about the places I have been And what I've seen And all the lessons I've learned in between Twenty some odd years and nothing's changed I'm still the same Still learning from this never ending dream

This life it teaches me of many things Like disbelief And trusting in dishonesty and love It keeps me dragging on and on But something's wrong And I just can't seem to figure out the scheme

Another time might make me crazy But all I've got is time Another time might make me crazy But all I've got is time

Satisfactions never guaranteed I know you agree It's best to live inside our memories And if I make it to the otherside I'll be satisfied I'm never coming back for anything

Another time might make me crazy But all I've got is time Another time might make me crazy But all I've got is time

This life it teaches me of many things Like disbelief I'm never coming back for anything

Another time might make me crazy But all I've got is time Another time might make me crazy But all I've got is time
