## Jean Claude Trans Am

And if I ever hurt you I swear I never meant to so please don't hold it against me but in the heat of passion I forget to sympathize with your virginity how can I sit still every time you're near me and how can I forget you're always reminding me all I need'd a taste you're such a terrible thing to waste but I know you have your reasons I'll wait for the day that I can hear you say call me if you need some
