

Skinhead Jessie

Fenix TX

There's a skin I know
He wears suspenders to every show
And when he's not getting high
He can eat you at a house at home
Procrastination and degradation
Never pays the bills
With constipation and masturbation
He always gets his fills

He's large and he's bald
He eats grapes, works at Fitz
He's head of security
He's large and he's bald
He eats grapes, works at Fitz
He's head of security

3 o' clock in the morning
Snacking at late night
Leftover everything
He's gonna do 'em all just right
And all that he needs
To get him through the day
Is tons of food and toilet paper
And everything is gonna be alright

He's large and he's bald
He eats grapes, works at Fitz
He's head of security
He's large and he's bald
He eats grapes, works at Fitz
He's head of security

He's large and he's bald
He eats grapes, works at Fitz
He's head of security
He's large and he's bald
He eats grapes, works at Fitz
He's head of security

He's large and he's bald
He eats grapes, works at Fitz
He's head of security
He's large and he's bald
He eats grapes, works at Fitz
He's head of security
