Something Bad Is Gonna Happen

My intention this deception doesn't seem to impress me anymore Three in the morning So the city should be sleeping Let's take a trip on to the otherside It's time to see what kind of shit we'll get away with I never felt this much alive Hey you want it hey we'll get it hey steal the attention from e verybody Hey you want it hey we'll get it hey you wanna fuck shit up Well come on Hey you want it hey we'll get it hey steal the attention from e verybody Hey you want it hey we'll get it hey you wanna fuck shit up Well mother fucker come on God forsaken forced vacation is the only thing that lies in sto re I think I see one No lights are on garge is open do it in a hurry So we're in and we're gone Hold on I think I hear somebody else's footsteps Now hold your breath and just get ready to run I bet you feel like you're about to piss your pants now But deep inside you know this game is fun Come on hey you want it hey we'll get it hey steal the attentio n from everybody Hey you want it hey we'll get it hey you wanna fuck shit up Well come on Hey you want it hey we'll get it hey steal the attention from e verybody Hey you want it hey we'll get it hey you wanna fuck shit up Well mother fucker come on Hey you want it hey we'll get it hey steal the attention from e verybody Hey you want it hey we'll get it hey you wanna fuck shit up Well come on Hey you want it hey we'll get it hey steal the attention from e verybody Hey you want it hey we'll get it hey you wanna fuck shit up Well mother fucker come on
