

# A Little Party Never Killed Nobody (All We Got)

Fergie

I ain't got time for you baby, either you're mine or you're not  
Make up your mind sweet baby, right here, right now's all we got

A little party never killed nobody, so we gon' dance until we drop  
A little party never killed nobody, right here, right now's all we go  
t

Islands, diamonds, trips around the world  
Don't mean a thing if I ain't your girl

(2x):

A little party never killed nobody, so we gon' dance until we drop  
A little party never killed nobody, right here, right now's all we go  
t

All we got, all we got, all we got, all we got  
All we got, all we got, all we got, all we got

Glad that you made it, look around  
You don't see one person sitting down  
They got drinks in their hands and the room's a bust  
At the end of the night maybe you'll find love  
Fake chit chat 'bout the things they got  
And my stout reputation keeping it hot girl  
At the party of the year I'm a master plan  
If you make me realize I'm your man

If the people get loud,  
Underneath the moonlight  
Hotsy-totsy, paparazzi,  
Hold it while I take this pic  
Speak easy,  
Rocking the fellas I'm breezy  
Hope you can keep up boys,  
'Cause believe me,  
I'm the bee's knees

(2x):

It don't mean a thing if I give you my heart  
If you tear it apart, no, uh, uh, ah, oh  
It don't mean a thing if I ain't in your eyes  
Papa that ain't gonna fly, no, uh, uh, ah, oh

Just one night's all we got (4x)

What do you think GoonRock?  
Are you ready?

A little party never killed nobody, so we gon' dance until we drop  
A little party never killed nobody, right here, right now's all we go
