

# Big Girls Don't Cry

Fergie

The smell of your skin lingers on me now  
You're probably on your flight back to your hometown  
I need some shelter of my own protection baby  
Be with myself in center, clarity, peace, serenity

I hope you know, I hope you know  
That this has nothing to do with you  
It's personal, myself and I  
We got some straightening out to do  
And not gonna miss you like a child misses their blanket  
But I've gotta get a move on with my life  
It's time to be a big girl now  
And big girls don't cry

Don't cry, Dont cry, Dont cry

The path that I'm walking, I must go alone  
I must take the baby steps til I'm full grown  
Fairy tales don't always have a happy ending do they  
And I forseek the dark ahead if I stay  
I hope you know, I hope you know  
That this has nothing to do with you  
It's personal, myself and I  
We got some straightening out to do  
And not gonna miss you like a child misses their blanket  
But I've gotta get a move on with my life  
It's time to be a big girl now  
And big girls don't cry  
Don't cry, Dont cry, Dont cry

Like a little school mate in the school yard  
We'll play jacks and uno cards  
I'll be your best friend  
And you'll be my valentine  
Yes you can hold my hand if you want to  
Cuz I wanna hold yours too  
We'll be playmates and lovers and share our secret  
worlds  
But it's time for me to go home  
It's getting late, dark outside  
I need to be with myself in center, clarity, peace, serenity  
I hope you know, I hope you know  
That this has nothing to do with you  
It's personal, myself and I  
We got some straightening out to do  
And not gonna miss you like a child misses their blanket  
But I've gotta get a move on with my life  
It's time to be a big girl now  
And big girls don't cry  
Don't cry, Dont cry, Dont cry
