All Of The Time

Ferlin Husky

I'll try anything that's new if something old won't do
If I can make you happy when you're feeling blue
Cause I love you yes I love you all of the time
I love every breath you take I love the love you make
I love the way you walk even when you walk away
Cause I want you yes I want you all of the time
But don't go too far when you walk away cause I want you near n
ear me night and day
I can't do without things you do for me in your own sweet lovea
ble way
I love everything you do and everything you say
I love you most of all cause you always go my way
When I need you and I need you all of the time
But don't go too far...
