

Anytime You're Ready

Ferlin Husky

I love you but I must live without you I said
And ever since I let you go my world has been dead
I don't know what I had in mind but I know it was wrong
So anytime you're ready come on home
Anytime you're ready this fool has paid enough
Anytime you're ready I really need your love
You don't need to warn me I'm always alone
So anytime you're ready come on home
I could say I'm sorry and beg you to find a way
As a matter of fact dear I'd do it every day
I've got at least a million times since you've been gone
And anytime you're ready come on home
Anytime you're read...
Yeah anytime you're ready come on home
