

## Deep Water

Ferlin Husky

I'm drifting into deep water I'm startin' to care for you  
You're getting me in deep water be careful what you do  
You wanna romance but I'm seeking love I know I'll regret it when it ends  
I'm winding off in deep water why can't we just be friends  
It's restless in this deep water I'm lost between right and wrong  
My love is true as deep water your love won't last this long  
Where will it lead me and where will it end I can't help but wish I only knew  
I'm winding up in deep water so deep in love with you
