

Flat River Mom

Ferlin Husky

Flat River Mow Flat River Mow it's been a many a day since I wa
shed her waters flow
If I ain't got the money to pay I'm gonna walk every step of th
e way
Cause I gotta go back to Flat River Mow

The clothes on my back have been friends with the ground too lo
ng
And my foolish dream of wealth and fame is gone
Each day the hand of failure wakes me up at the break of dawn
And tells me to go back home to Flat River Mow
Flat River Mow Flat River Mow...
I wonder if Mary's heart has ventured and grown fond
I wonder if the baby calls her mom
At night when the city lights and the neon signs come on
They don't shine like the moon back home over Flat River Mow
Flat River Mow Flat River Mow...
Flat River Mow Flat River Mow...
