

Heart Over Mind

Ferlin Husky

I love you so much that I can't leave you even though my mind tells me I should
But then you make me think that you still love me
And all my thoughts of leaving do no good
You've got me heart over mind worried all the time
Knowing you will always be the same
You'll keep hurtin' me I know but I still can't let you go
Cause my heart won't let my love for you change

Friends tell me they see you with another and in my heart I try hard to forget
But you come home and tell me you still love me
I still hope there's some chance for us yet
You've got me heart over mind...
No my heart won't let my love for you change
