Heavenly Sunshine

Ferlin Husky

I've searched for words of sweet description to best describe The thrill it gives me just to have you by my side But I can't find one single word that properly defines How sweet it is just knowing that all your love is mine

Your love is heavenly sunshine, heavenly sunshine You fill my heart with your sweet love devine Heavenly sunshine, heavenly sunshine you make me happy cause yo ur love is mine

The colors in the rainbow are a lovely sight to see But even rainbows lose their glow when you smile at me And when you kiss me I can hear a thousand bluebirds sing No matter how that sounds, the words could only mean one thing Your love is heavenly sunshine... Heavenly sunshine, heavenly sunshine...
