I Could Never Be Ashamed Of You

Ferlin Husky

Everybody says you let me down I should be ashamed to take you round

Makes no difference what you used to do darling I could never b e ashamed of you

Maybe you were reckless yesterday but together we can find a brighter way

In my heart I know that you'll come true darling I could never be ashamed of you

All the happiness I've ever known came the day you said you'd b e my own

And it matters not what we go through darling I could never be ashamed of you

Maybe you were cheated in the past and perhaps those memories \boldsymbol{w} ill always last

Even though you prove to be untrue darling I could never be ash amed of you
