

# I Really Don't Want To Know

Ferlin Husky

How many arms have held you  
And hated to let you go?  
How many? How many? I wonder  
But I really don't want to know

And how many lips have kissed you  
And set your soul aglow?  
How many? How many? I wonder  
But I really don't want to know

So always make me wonder  
And always make me guess  
Even if I ask you  
Darlin', don't confess

No you just let that remain your secret  
Cause darlin', I do love you so  
How many? How many? I wonder  
But I really don't want to know

How many? How many? I wonder  
But I really don't want to know
