

## Learn From A Fool

**Ferlin Husky**

You and your new love are gonna make it and knowing this is tearing me apart  
You offered me your love I wouldn't take it  
Now I'm hurting all the way through my heart  
Look at me you're looking at a fool and the whole world could learn a lesson from me  
If you want to know about lonely just ask me and learn from a fool  
Look at me...  
Just ask me and learn from a fool
