

Let It Be

Ferlin Husky

Let it be let it be don't ask me to try again
I don't wanna cry again let it be let it be
How much can one heart take how much must it go through
How often can you break a broken heart in two
I'll never love again now that you set me free
I'll live my life alone with all the hurt you left with me
Let it be let it be...
Let it be let it be...
I don't wanna cry again let it be let it be
