

Lonesome Valley

Ferlin Husky

Well you've gotta walk that lonesome valley yes you've gotta go
there by yourself
Cause no one here is gonna go there with you yes you've gotta go
there by yourself

Well if you can't speak like the angels if you can't preach like
old Saint Paul
You can tell the love of Jesus yes you can say that he died for
all

Yes you've gotta walk...

Many loved ones away up yonder just awaitin' on the golden shore

Let's prepare to go and meet them where sad parties will come
no more

Well you've gotta walk...

Yes you've gotta walk...
