

## Misty Blue

Ferlin Husky

Oh it's been such a long long time looks like I could get you o  
ff my mind  
But I can't for just the thought of you turns my world a misty  
blue  
Just the mention of your name turns the flicker to a flame  
I think of things that we used to do then my whole world turns  
misty blue  
I should forget you heaven knows I've tried  
But when I said I'm glad we're through my heart knows that I've  
lied  
Oh it's been such a long long time looks like I could get you o  
ff my mind  
But I can't for just the thought of you turns my world a misty  
blue  
Yes just the thought of you turns my world a misty blue
