

# On And On And On

Ferlin Husky

(On and on on and on)  
All the things come to an end  
Yes that means we'll never love again  
The end of our love the end of my dreams  
The end of almost everything it seems  
Except these heartaches these teardrops  
And this loneliness goes on and on and on  
On and on and on as if there were no tomorrow  
As if the night had come to stay and there would be no dawn  
Love has stopped time has stopped  
Everything on this earth has stopped  
Except these heartaches these teardrops  
And this loneliness goes on and on and on  
(On and on on and on on and on)  
On and on and on...
