

Pickin' Up The Pieces

Ferlin Husky

Pickin' up the pieces of my heart
Love to you is nothing but a fashion that stays in style until you change your mind
And when you think it's time to try a new love
You go and leave my broken heart behind
You've got me pickin' up the pieces I've been pickin' up the pieces
I'm just pickin' up the pieces of my broken heart
You've got me pickin' up the pieces I've been pickin' up the pieces
I'm just pickin' up the pieces of my heart
Every time you leave me I start crying counting every minute we're apart
If you could only have consideration then I wouldn't have this broken heart
You've got me pickin' up...
