

## Sweet Memories

Ferlin Husky

Sweet mem'ries when will you go away when will I be free from yesterday

Sweet mem'ries your love has come and gone

But a touch of yesterday keeps hanging on

Sweetheart it would be easier for me to walk on water

Than for me to find the way to forget you

I cried myself to sleep last night and this morning I cried harder

And relived the very moment that I met you

I never thought I'd see the day I'd be praying for an ending

An ending to be only love I've known

If our goodbye had been strong enough to destroy our beginning

Then my reason to remember would be gone

Sweet mem'ries when will you go away...
