

That's Why I Love You So Much

Ferlin Husky

You stood by me whenever times were bad and never once did I hear you complain
You always made the best of what little bit we had
And held your hand up proud to wear my name
And that's just one of the reasons why I love you so much
You are the reason that I live
I know I've got a woman no other man can touch
Who gives me all the love she has to give
You've sacrificed for dreams of mine that never did come true
You've done without to satisfy my needs
And everytime I've tried and failed I've found new strength in you
For not one time did you lose faith in me
And that's just one of the reasons...
