

# There Goes My Everything

Ferlin Husky

(There goes my everything)

I hear foot steps slowly walking, as they gently walk across the lonely floor.

I hear a voice softly saying, darling this will be good by for ever more.

There goes my reason for living, there goes the one of my dreams.

There goes my only possession, there goes my everything.

As my memory turns back the pages, I can see the happy years we had before

I hear a voice softly saying, darling this will be good bye for ever more

There goes my reason for living there goes my everything, there goes my only

Possession, there goes my everything.
