

# There's A Big Wheel

Ferlin Husky

When you think you've got the world by the tail  
And you don't have to worry bout fame  
When you think the world can never hold you down do you ever think of his name

There's a big wheel there's a big wheel he's a whole lotta bigger than you  
There's a big wheel there's a big wheel he's a whole lotta bigger than me  
Well if you do ever stop to think how you got all of that worldly fame

Don't you know that he's a watchin' over you anytime he can blood out your name  
There's a big wheel...  
If you think that you're a big big shot and everything you do is a whiz  
Just remember brother everything you've got is not your remember it's his

There's a big wheel...  
(He's a whole lotta bigger than me)
