

## These Are The Reasons

Ferlin Husky

Whenever I feel I've got nothing to live for that life's just a  
four letter word  
I stop and I look at the beauty around me and something inside  
me is thirst  
The deep winding rivers that flow on forever the mountains that  
reach to the sky  
I find myself counting my blessings and thinking the good Lord  
that I am alive  
These are the reasons that keep me believin' whenever I questio  
n my birth  
These are the reasons that keep me believin' my reasons for liv  
ing on earth  
I look at the sunrise that comes up each morning the sunset whe  
n dark shadows fall  
I walk through a garden where flowers are blooming  
And I know there's a place for us all  
These are the reasons...
