Where No One Stands Alone

Ferlin Husky

Once I stood in the night with my head bowed low In the darkness as black as the sea

And my heart was afraid and I cried oh Lord don't hide your fac e from me

Hold my hand all the way every hour every day from here to the great unknown

Take my hand let me stand where no one stands alone

Like a king I may live in a palace so tall with great riches to call my own

But I don't know a thing in this whole wide world that's worse than being alone

Hold my hand all the way...
