

Willow Tree

Ferlin Husky

Willow tree willow tree you're weeping too
Blue grows the willow tree outside my door it knows my heart will
be happy no more
Willow tree willow tree green leaves turned to blue
Willow tree willow tree you're weeping too

Poor little willow tree blues as the sky the day that you left
me I saw it cry
Willow tree willow tree...

Blue grows the willow tree watered with tears
It knows my heart will be yours through the years
Willow tree willow tree...
Willow tree willow tree you're weeping too
