

# Just As I Am

Fernando Ortega

1). I waited and waited for God  
He turned and He heard me  
He lifted me out of the mud  
His Own Hand secured me  
The Lord is my help  
I will not be confounded  
So I have focused my face like a flint  
I'll not be ashamed  
Lord I come

CHORUS:

Just as I am  
Without one plea  
But that Your blood  
Was shed for me.

(REPEAT CHORUS)

2). Take the days that remain in my life

Lord let me serve You  
While there is breath on my lips  
I would proclaim You  
I long for Your return  
I long to see You face to face  
I long to join the eternal song  
Communion of all the saints  
Lord I come

CHORUS:

REPEAT CHORUS

BRIDGE

Oh Lord

CHORUS (pianissimo)

Repeat CHORUS (forte)
