

Light Of Heaven

Fernando Ortega

The sky is raining tears tonight, my Brother
You know it's hard to sleep so far from home
The moon has covered up her eyes, my Sister
I thought I'd find You here, but I'm all alone
All alone

Light of Heaven
Lord of Mercy
Shine the goodness of Your love upon this day
Til we see You
Til we know You
Til the sorrow and the darkness fade away
Fade away

I searched the city streets today, my Father
The tunnel and the train, the river in the rain
I walked beneath the harbor lights, my Mother
And in the shadow there I called Your name
I called Your name

Light of Heaven
Lord of Mercy
Shine the goodness of Your love upon this day
Til we see You
Til we know You
Til the sorrow and the darkness fade away
Fade away

Light of Heaven
Lord of Mercy
Shine the goodness of Your love upon this day
Til we see You
Til we know You
Til the sorrow and the darkness fade away

Light of Heaven
Lord of Mercy
Shine the goodness of Your love upon this day
Til we see You
Til we know You
Til the sorrow and the darkness fade away
Fade away
Fade away
Fade away
