

Take Heart My Friend

Fernando Ortega

Take heart, my friend, we'll go together
This uncertain road that lies ahead
Our faithful God has always gone before us
And He will lead the way once again

Take heart, my friend, we can walk together
And if our burdens become too great
We can hold up and help one other
In God's love and God's grace

Take heart my friend, the Lord is with us
As He has been all the days of our lives
Our assurance every morning
Our defender in the night

If we should falter when trouble surrounds us
When the wind and the waves are wild and high
We will look away to Him who ruled the waters
Who spoke His peace into the angry tide

He is our comfort, our sustainer
He is our help in time of need
When we wander, He is our Shepherd
He who watches over us never sleeps

Take heart my friend the Lord is with us
As He has been all the days of our lives
Our assurance every morning
Our defender in the night
