

## Take Heart My Friend

Fernando Ortega

Take heart, my friend, we'll go together  
This uncertain road that lies ahead  
Our faithful God has always gone before us  
And He will lead the way once again

Take heart, my friend, we can walk together  
And if our burdens become too great  
We can hold up and help one other  
In God's love and God's grace

Take heart my friend, the Lord is with us  
As He has been all the days of our lives  
Our assurance every morning  
Our defender in the night

If we should falter when trouble surrounds us  
When the wind and the waves are wild and high  
We will look away to Him who ruled the waters  
Who spoke His peace into the angry tide

He is our comfort, our sustainer  
He is our help in time of need  
When we wander, He is our Shepherd  
He who watches over us never sleeps

Take heart my friend the Lord is with us  
As He has been all the days of our lives  
Our assurance every morning  
Our defender in the night
