Take Heart My Friend

Fernando Ortega

Take heart, my friend, we'll go together This uncertain road that lies ahead Our faithful God has always gone before us And He will lead the way once again

Take heart, my friend, we can walk together And if our burdens become too great We can hold up and help one other In God's love and God's grace

Take heart my friend, the Lord is with us As He has been all the days of our lives Our assurance every morning Our defender in the night

If we should falter when trouble surrounds us When the wind and the waves are wild and high We will look away to Him who ruled the waters Who spoke His peace into the angry tide

He is our comfort, our sustainer
He is our help in time of need
When we wander, He is our Shepherd
He who watches over us never sleeps

Take heart my friend the Lord is with us As He has been all the days of our lives Our assurance every morning Our defender in the night
