

Don't Give Up

Ferras

Letters that we don't send
Say the things we mean most
They remain inside us
Haunting, holding

When I dream I can't sleep
When I miss I miss you
When I leave, it always leaves me
Wanting, wanting

Don't give up on me
We may need a miracle
When I look at you
There's an angel who never left me completely
Don't give up on me, it's beyond the physical
When I look at you I see an angel that wants to leave
Don't you give up on me

When we least expect it
They decide to break through
Seems a heart may know me
I know you know you
When I sleep I can't dream
When I miss I mistake
When I stay I'm always staying for you
For you

Don't give up on me
We may need a miracle
When I look at you
There's an angel who never left me completely
Don't give up on me, it's beyond the physical
When you touch, when you feel
When you see what I could be
Don't you give up on me

And for everything we take
We must give something
And our hearts will have to break
Before we feel something, feel something
All I destroy begins to mean something
Without you, without the trust
Without you, without us

Don't give up on me
We may need a miriacle
When I look at you
There's an angel
Who never
Left me completely

Don't give up on me
We may need a miracle
When I look at you
I see an angel who wants to leavr
Don't you give up on me

Don't give up on me, it's beyond the physical
When you touch, when you feel
When you see what I could be
Don't you give up on me
