

# Ain't No Stoppin'

Ferry Corsten

I know a thing or two about you  
And I think you find the best of me  
Sometimes in search for high  
You take a blow  
But nothing can make you complete  
The game is up  
The truth is out there  
Your time is up  
Can't take it back  
Sometimes in search for high  
You take a blow  
What we've got  
Ain't no stop  
Ain't no stoppin' a good thing  
Ain't no stoppin' a good thing  
Ain't no stoppin' a good thing  
Ain't no stop  
Ain't no stop  
Ain't no stoppin' a good thing  
I know a thing or two about you  
And I think you find the best of me  
Sometimes in search for high  
You take a blow  
But nothing can make you complete  
The game is up  
The truth is out there  
Your time is up  
Can't take it back  
Sometimes in search for high  
You take a blow  
What we've got  
Ain't no stop  
Ain't no stoppin' a good thing
