

Fire

Ferry Corsten

Oh woman you make me feel
Like I'm on fire
Oh woman you make me feel
Like I'm on fire
Oh woman you make me feel
Like I'm on fire
Oh woman you make it real
It's the only way for me

Oh woman you make me feel
Like I'm on fire
Oh woman you make it real
It's the only way for me
Oh woman you make me feel
Like I'm on fire
Oh woman you make it real
It's the only way for me

Oh woman you make me feel
Like I'm on fire
Oh woman you make it real
It's the only way for me
Oh woman you make me feel
Like I'm on fire
Oh woman you make it real
It's the only way for me

Oh woman you make me feel
Like I'm on fire
Oh woman you make it real
It's the only way for me
Oh woman you make me feel
Like I'm on fire
Oh woman you make it real
It's the only way for me
