

## Fire

Ferry Corsten

Oh woman you make me feel  
Like I'm on fire  
Oh woman you make me feel  
Like I'm on fire  
Oh woman you make me feel  
Like I'm on fire  
Oh woman you make it real  
It's the only way for me

Oh woman you make me feel  
Like I'm on fire  
Oh woman you make it real  
It's the only way for me  
Oh woman you make me feel  
Like I'm on fire  
Oh woman you make it real  
It's the only way for me

Oh woman you make me feel  
Like I'm on fire  
Oh woman you make it real  
It's the only way for me  
Oh woman you make me feel  
Like I'm on fire  
Oh woman you make it real  
It's the only way for me

Oh woman you make me feel  
Like I'm on fire  
Oh woman you make it real  
It's the only way for me  
Oh woman you make me feel  
Like I'm on fire  
Oh woman you make it real  
It's the only way for me
